

Blisacion de la ciudad de la Cruz

[illegible]

*[The page contains dense, handwritten text in a cursive script, likely from a 16th-century manuscript. The text is written in dark ink on aged, slightly discolored paper. The handwriting is highly stylized and fluid, characteristic of the period. The text is arranged in approximately 25 horizontal lines, filling most of the page. Some lines are more legible than others due to the density of the script. The overall appearance is that of a historical document or a page from a book.]*
