the following day. The first
was a small one, but the second
was very large, and the third
was also very large. The fourth
was a small one, but the fifth
was very large. The sixth
was a small one, but the seventh
was very large. The eighth
was a small one, but the ninth
was very large. The tenth
was a small one, but the eleventh
was very large. The twelfth
was a small one, but the thirteenth
was very large. The fourteenth
was a small one, but the fifteenth
was very large. The sixteenth
was a small one, but the seventeenth
was very large. The eighteenth
was a small one, but the nineteenth
was very large. The twentieth
was a small one, but the twenty-first
was very large. The twenty-second
was a small one, but the twenty-third
was very large. The twenty-fourth
was a small one, but the twenty-fifth
was very large. The twenty-sixth
was a small one, but the twenty-seventh
was very large. The twenty-eighth
was a small one, but the twenty-ninth
was very large. The thirty-first
was a small one, but the thirty-second
was very large. The thirty-third
was a small one, but the thirty-fourth
was very large. The thirty-fifth
was a small one, but the thirty-sixth
was very large. The thirty-seventh
was a small one, but the thirty-eighth
was very large. The thirty-ninth
was a small one, but the forty-first
was very large. The forty-second
was a small one, but the forty-third
was very large. The forty-fourth
was a small one, but the forty-fifth
was very large. The forty-sixth
was a small one, but the forty-seventh
was very large. The forty-eighth
was a small one, but the forty-ninth
was very large. The fifty-first
was a small one, but the fifty-second
was very large. The fifty-third
was a small one, but the fifty-fourth
was very large. The fifty-fifth
was a small one, but the fifty-sixth
was very large. The fifty-seventh
was a small one, but the fifty-eighth
was very large. The fifty-ninth
was a small one, but the sixty-first
was very large. The sixty-second
was a small one, but the sixty-third
was very large. The sixty-fourth
was a small one, but the sixty-fifth
was very large. The sixty-sixth
was a small one, but the sixty-seventh
was very large. The sixty-eighth
was a small one, but the sixty-ninth
was very large. The seventy-first
was a small one, but the seventy-second
was very large. The seventy-third
was a small one, but the seventy-fourth
was very large. The seventy-fifth
was a small one, but the seventy-sixth
was very large. The seventy-eighth
was a small one, but the seventy-ninth
was very large. The eighty-first
was a small one, but the eighty-second
was very large. The eighty-third
was a small one, but the eighty-fourth
was very large. The eighty-fifth
was a small one, but the eighty-sixth
was very large. The eighty-eighth
was a small one, but the eighty-ninth
was very large. The ninety-first
was a small one, but the ninety-second
was very large. The ninety-third
was a small one, but the ninety-fourth
was very large. The ninety-fifth
was a small one, but the ninety-sixth
was very large. The ninety-eighth
was a small one, but the ninety-ninth
was very large. The one hundredth
was a small one, but the one hundred-and-first
was very large.
